

W. H. White

MY LOVER IS AN ATOM BOMB
 AND I THE ANXIOUS EVE
 LOOKING BEYOND MY MEMORY'S SIGHT
 INTO BIRTHS AND CATASTROPHE
 BEGINNINGS FORGOTTEN
 AND FOR TOO I FRET
 TOMORROW'S PENDING DOOM
 A FATE I'LL NEVER KNOW TODAY
 AND WHICH I'LL NEVER MAKE TOO SOON

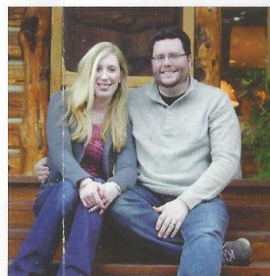

MY LOVER BEGS I FILL MY CUP
 AND LET HIM BE MY FRIEND
 HE KNOWS OF ALL I DO NOT KNOW
 BUT HE'LL NEVER KNOW HE CAN
 NO, I MUST LOVE HIM AND
 KEEP WORMS BELOW
 SO THAT THEY MAY GROW TO TREES
 AND ONE DAY IF THE WORLD BLOWS UP
 I HOPE ITS APPLE CORE LANDS ON ME.

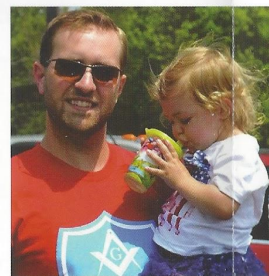

We use ancient tools to build better men from the inside.

We believe men are first made Masons in their hearts, then they ask to join our Fraternity. Freemasonry will take these men –already good men in our community – and help make them better men.

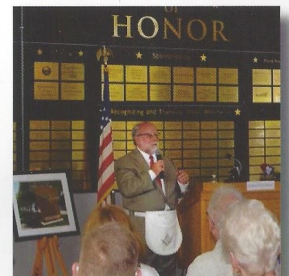

Each man brings something different into the Fraternity – as different as the types of men who become Masons. However, each shares a core of common beliefs and dreams; each brother believes that, even in a small way, by every one of his actions he helps make his world, his community and himself better.

Better Husbands

Better Fathers

Better Neighbors
